

## NEW ERA SENIOR SECONDARY SCHOOL

# SOLID WASTE MANAGEMENT & RECYCLING POLICY

### 1. Objective

To ensure systematic waste segregation, reduce waste generation, and promote recycling practices within the school campus.

### 2. Key Practices Implemented

- **Segregation of waste at source** (Dry / Wet waste bins in classrooms and campus)
- Installation of **colour-coded dustbins** for proper disposal
- Promotion of **3R Principle – Reduce, Reuse, Recycle**
- **Composting of biodegradable waste** (garden/food waste)
- Avoidance of **single-use plastics** within school premises

### 3. Monitoring Mechanism

- Supervision by **Eco-Club and assigned teachers**
- Regular checking by **housekeeping staff**
- Instructions and signage displayed near waste collection points
- Periodic review by **school administration**

### 4. Awareness Initiatives

- Activities on **World Environment Day / Swachh Bharat Abhiyan**
- **Poster making, slogan writing, cleanliness drives**
- Awareness through **assemblies and classroom teaching**
- Student participation in **campus cleanliness campaigns**

## NEW ERA SENIOR SECONDARY SCHOOL

---

### 5. Outcome / Impact

- Improved **cleanliness and hygiene** in school
- Reduction in **waste generation**
- Increased **student awareness on sustainable practices**
- Promotion of **eco-friendly habits**

### 6. Future Plan

- Collaboration with **authorized recycling agencies**
- Expansion of **composting systems**
- Introduction of **zero-waste campaigns**
